

1ST TRIMESTER PROJECT RULES

Only secondary teachers who have completed a one-day training session may implement this project in their classrooms. Teachers attending spring or summer 2010 workshops may implement this project in fall semester 2010. Once a teacher has implemented the project, s/he may implement the project again, term after term.

Teachers who implement this project and have a minimum of three students complete the project **in its entirety, including the completion of the required report, meeting all deadlines** will receive a \$100 stipend; an end-of-semester stipend form will be e-mailed to teachers.

Teachers will receive a form to order t-shirts or ball caps (students have a choice) for participating students. Submit this form (e-mail, fax, mail) + list of participating students to Jo Ann Murray or Amy Sanders by **S e p t e m b e r 24**.

Students must submit all required documents **to their teacher** by the deadlines on the *Project Timeframe* handout.

FINAL REPORT due November 2

We realize you will be evaluating and submitting reports after the trimester's end. Let us know if that's a problem. We want to give your students maximum tracking time.

The Final Report must meet standards on the *Report Requirements* document. Criteria for evaluation are also listed on this document. The report requirements and evaluation tool are posted on our Web site. Commissioners from the Oklahoma Securities Department, the Invest Ed® staff, and appointed personnel will evaluate the reports.

Oklahoma counties are divided into six regions: Northeast, Southeast, Northwest, Southwest, Central, and South Central. Traditionally we award one student report winner per region along with one overall, statewide report winner. If a region does not submit a report worthy of being chosen as a winner, we reserve the right to bypass that region. If a region has two equally deserving report winners, we reserve the right to name two winners from that region. Plaques and \$250 awards will be presented to all regional winners. A \$1,000 award and plaque will be presented to the statewide winner. Teachers of winning students will receive \$100 each. Winners will be honored at a Saturday Awards Ceremony luncheon on The University of Oklahoma campus along with their parents, teacher, administrator, and designated contract officials.
